

2E's Assembly

2E had their class assembly all about St Patrick's Day, thanksgiving and kindness. We spoke about what happened to St Patrick during his life and how that linked to our current RE topic and ways to show kindness. As a school we are focusing on kindness and we loved talking about the ways we can be kind and sharing that in our assembly. We also enjoyed learning our lines and our kindness song every day at school to put on a brilliant performance for our parents and carers
