General Knowledge

Walter Raleigh was a famous explorer from the reign of Elizabeth I. He was a favourite of the Queen and rewarded him for his achievements.

Titanic was built by a company called White Star Line. She was completed and ready for the ocean on 31st March 1912, after three years in construction.

The Empire Windrush enabled thousands of people to relocate. This has resulted in the diverse culture that survives today.

Learning Questions

What makes people go on a journey?

Was Walter Raleigh just in it for the money?

Why did the Irish 3rd class passengers go on the Titanic to America?

How did Vera Schaufeld become a refugee?

Why did people sail on the Empire Windrush?

What makes refugees go on a difficult journey today?
