

Sports Afternoon

Rounders

We were excited to have a Year 5 Sports Afternoon this term!

We learnt how to play and discussed the rules. We split up into classes and played a game called Rounders. In Rounders you want to hit the ball really far and run around the bases before the fielders get the ball and try to get you out.

We had a tie during both of the games and had an extra batting turn at the end of the day to test our skills!
