

Viking Day

History

Last term, we were lucky enough to have a Viking themed day to follow on from our History learning where we focused on Viking warriors, their invasions, how they lived and their resources.

We all came dressed up as different Vikings and designed our own realistic names and helmets that were apart of our very own tribes! We used a loom, built Viking Long Boats and sundials to tell the time.

It was great to share our learning with other students and wear our amazing outfits!
