

World Book Day

Reading

World Book Day was so much fun! We started off by talking all about our favourite books, authors and sharing what we dressed up as. We took part in the Virtual Assembly where we worked hard on the quiz, lots of us got 10/10 correct every time.

The parade was super exciting and we enjoyed getting to see everyone's costumes and characters.

To finish off our day, we were lucky enough to watch the production of the Jungle Book with everyone else from school. It was such a treat and we loved the musical choices!
