

Key Vocabulary

home	Where someone lives.
landmark	Important location.
near	When something is close.
far	When something is at a distance.
settlement	Where people live.

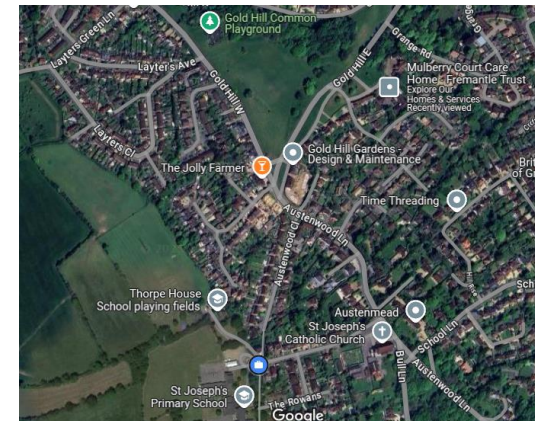

Our Local Area

Key Takeaways

- Our **settlement** is our **home**: where we live; where people work and play.
- Local landscapes might be grey, green or blue.
- Grey places include playgrounds, car parks, streets and pavements.
- Green or blue places describe trees, gardens, rivers, streams, ponds and the sea.
- **Landmarks** are important locations where people celebrate, gather or commemorate events. Our school is also a landmark!
- Homes can be flats; detached or semi-detached houses; or bungalows.
- Nearby, there might be places to buy things or get things fixed.
- Ways of travelling include buses, trains, trams and cars. People may also walk on a pavement, footpath or bridleway, or they may cycle.

Questions

- What places do we go to?
- What is near and what is far?
- Can I read a simple plan?
- Can I read a map?
- Where is our nearest open space?
