

POSITION and DIRECTION

KNOWLEDGE ORGANISER

Year 1

Overview

Position and Direction we learn to:

- Describe Turns
- Describe Position

Position means the location of something – where it is.

Direction means the path along which something moves.

Position and direction is useful learning because it helps us to describe where we are, where things in the world are, and to follow directions to reach different places.

Turns

Full turn

Quarter turn

Half turn

Three quarter turn

Starting Position

Quarter Turn

Half Turn

Three Quarter Turn

Full Turn

Movement

Which way is forwards, backwards, left or right depends on which way someone/ something is facing.

When you look at the back of your hands, your left hand makes an 'L'.

Position

- We can use language to show the position of people, animals, places and things.
- The cat is to the left of the girl.
- The girl is to the right of the cat.
- The door is behind the cat and the girl.
- The girl and cat is in front of the door.
- The sun is above the cows.
- The cows are below the sun.
